

CF Storefront

- Sell Your Farm Inputs and Services on CF **Storefront**
- Connect with customers faster and more conveniently.

Introducing CF Storefront

The CF Storefront Platform by Complete Farmer is your one-stop farming marketplace. The platform connects you, the agricultural vendor, directly with a network of farmers and commodity buyers in need of your offerings. Showcase your products and services, reach more customers and grow your business with CF Storefront

Vendors Who Can Benefit from CF Storefront

Input Sellers:

Whether you sell a specific range or a variety of inputs, CF Storefront is for you.

Farm Service Providers:

Offer your services like land preparation, harvesting, spraying, and transportation on the platform.

Farm Machine Rental

Providers: Rent out your machinery and accessories to farmers who need them.

What CF Storefront Offers

 **Access to a Ready Market:** Listing your products on CF Storefront puts them in front of a growing, ready-to-buy audience.

 **Closer Proximity to Customers:** Our fulfillment center brings you closer to farmers, reducing delivery costs and increasing your reach.

 **Stable and Competitive Pricing:** We ensure that the marketplace offers fair and competitive prices, making it attractive for customers to choose your products.

 **Reliable Payment Process:** We ensure you receive your payments promptly and securely.

About the CF Storefront Beta Program:

Be among the first to experience the innovative CF Storefront Platform through our exclusive Beta Program. As an early adopter, you will play a key role in shaping the future of agricultural commerce.

Here's what you stand to gain:

- 🌿 **Exclusive Early Access:** Be the first to explore and use the CF Storefront Platform before its official launch.
- 🌿 **Influence Development:** Your feedback will directly influence and refine the platform, ensuring it meets your needs and expectations.
- 🌿 **Special Promotions:** Enjoy the opportunity to transact with customers at no extra cost throughout the beta period.

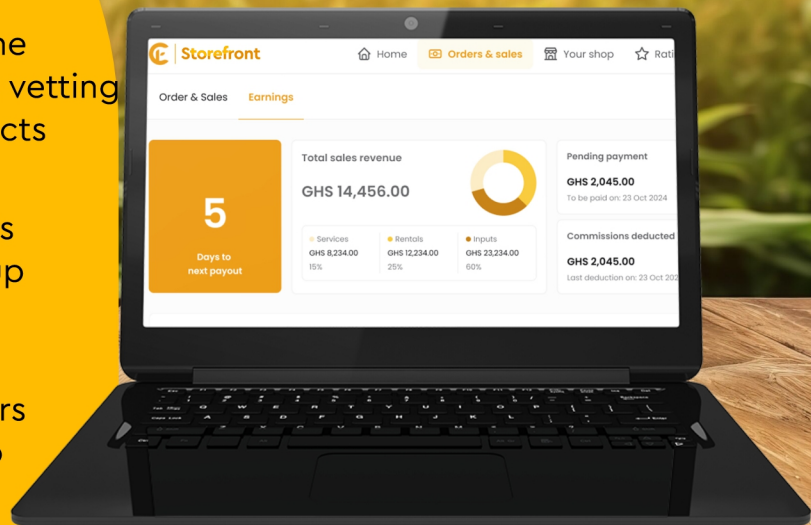

About the CF Storefront Beta Program:

- **Field Trial Opportunities:** Gain exclusive access to request field trials within local communities, allowing you to showcase new products directly to farmers.
- **Dedicated Support:** Receive personalized support from our team to ensure a smooth experience and address any questions or issues you may encounter.
- **First-Mover Advantage:** Establish your presence and reputation on the platform before it becomes widely available, giving you a competitive edge.

How It Works for Vendors

- 🌿 **Simple Setup:** Register as a vendor on the CF Storefront platform, and after a quick vetting process, you can start listing your products and services.
- 🌿 **Create Your Online Store:** Provide details about your company and offerings, set up your online store, and manage your stock easily.
- 🌿 **Track and Manage Orders:** Monitor orders and receive feedback from customers to continually improve your offerings.

Some Common Questions Vendors Have

- Will I get paid on time? Absolutely, our payment process is reliable and prompt.
- How are customer issues resolved? We have effective dispute-resolution mechanisms in place to handle any issues.
- How much does it cost to use the platform? The platform is free for beta-users throughout the beta program.

Join the CF Storefront Beta Program

Be a pioneer and shape the future of agricultural commerce. Join the CF Storefront Beta Program today and get exclusive early access, personalized support, and the chance to influence the development of a marketplace designed with your needs in mind. Don't miss out on this unique opportunity to connect with a thriving market and gain a competitive edge.

About Complete Farmer

Complete Farmer, established in 2017, is an agricultural technology company that uses data and technology to streamline processes across the value chain. Our mission is to connect the people that feed the world to data, resources, markets and each other.

Our farmer-focused platform, CF Grower empowers farmers with precision farming tools and market access, while our procurement platform, CF buyer serves Procurement Specialists by providing them with reliable and easy access to commodities grown to meet their specifications, through a digitized crop procurement process thereby enhancing efficiency and transparency within the supply chain delivery.
